# ABOUT US

With years of experience in the dehydrated vegetable industry, we are committed to delivering high-quality, shelf-stable products that meet the evolving needs of global food businesses. Our products are sourced directly from local farms and processed in modern dehydration facilities that strictly adhere to food safety and quality standards, including FSSAI, ISO, HACCP, and APEDA certifications.

We proudly export to over 25 countries across Europe, Asia, the Middle East, Africa, and North America—serving food manufacturers, spice brands, importers, private label suppliers, wholesalers, and HORECA (Hotel/Restaurant/Catering) distributors.
